

Universal Services for Carers in Derby

Celebrating Carers Week 2020!

8th-14th June

Monday – Introducing us! Join us on Facebook and Twitter to learn more about the support we can offer YOU. Simply search for us on Facebook using ‘Universal Services for Carers in Derby’ or on Twitter with @Carers_Derby.

Tuesday – Launch of our monthly newsletter. You can sign up for our newsletter via our website or find it on our social media.

Wednesday – Digital training taster sessions, an opportunity for carers to book a short session with Citizens Advice Mid Mercia’s Digital Training Coordinator to gain new skills and better access digital technology. This service can help you with booking GP appointments online, signing up to social media, online safety, online banking, benefits checks and much more. To book a taster session, contact the Digital Coordinator directly on 07960433977.

Thursday – A video from our Well-Being Coordinator introducing Well-Being Calls, a new aspect of the service to support carers during the COVID-19 pandemic. The video will be released on our social media.

Friday – Creatively Celebrating Carers digital archive launch. We will be bringing you an original song and piece of art celebrating all the hard work carers do. We will then ask YOU to join us in creating an archive of celebrating carers through artwork, music, poetry and much more. This can be found on our social media.
